Thai cuisine is essentially very  
simple. Its unmistakable flavour comes from  
combinations of chillies, coconut cream,  
coriander, fish sauce, garlic, lemon grass and lime leaves.

It is a subtle blend of these herbs and spices  
which makes Thai food both exotic and delicious.

At Montien, it is our aim to  
bring you traditional Thai cooking and hospitality  
in pleasant surroundings and at a reasonable price.

We hope your visit to us is the  
first of many and proves a unique and rewarding experience.
